**FOUNDATION**

**September 12, 2020**

On behalf of our participating non-profit community based beneficiaries, our Aztlan youth, and our membership, thank you for making this year a measurable success.

A special acknowledgment to our Platinum donors that contribute yearly to our organization including the JAG Molina Foundation, The Molina Foundation, Aztlan Athletics LLC,

We hope your and your families are safe and well. This year, due to the pandemic we have shifting the yearly AAF Gala as a virtual fundraising campaign. Your donation will help to continue to funds the services provided including youth summer running camps, scholarship awards, and to pay for various programs that are being undertaken by AAF. Attached is the sponsorships deck for your consideration.
